

Because of you, someone will eat today

Thank you for your commitment to fight hunger in the Ozarks.

Because of your generosity, a hungry neighbor knows where their next meal will come from. With the help of generous donors and partners like you, Ozarks Food Harvest provides more than 17 million meals to 261,300 people across its 28-county service area each year.

One in five children and one in seven adults suffer from food insecurity, and half of households served by The Food Bank include children or seniors.
