

Weekend Backpack Program Request

Thank you for your interest!

Due to the increasing demand for participation in the Weekend Backpack Program, Ozarks Food Harvest must prioritize schools that request assistance. Placement on the program is based on information gathered regarding area need, existing resources, available funding and current operations. Partnerships for the 2023-24 program year have been determined. Requests received after August 1, 2023 will be reviewed in the spring for consideration in 2024-25.

School Name: _____

School Phone: _____ County: _____

Physical Address: _____
Street City Zip

Mailing Address: _____
Street City Zip

Principal: _____ Email: _____

Free/Reduced Lunch % _____

Ozarks Food Harvest purchases the food that goes into the backpacks, therefore, we have a limited number of bags available. If your school is selected for the program,

- How many backpacks do you anticipate needing? _____
- How did you determine the number of backpacks needed?

If you are requesting to receive food to supplement your own backpack program, this requires OFH membership. For more information on how to become an OFH member, follow this link:
