

School Pantry Program Request Form

Thank you for your interest in starting a School Pantry Program.

School Pantries operate in two ways: **Community-Sponsored Sites** are managed and funded as programs of a church, or a community-based 501 (c)3 non-profit incorporated to serve the ill, needy, or children. **Ozarks Food Harvest-Sponsored Sites** are managed and funded as a direct program of The Food Bank.

If you are an established **Community-Sponsored Site** requesting food, this requires OFH membership. For more information on how to become an OFH member, follow this link: <https://ozarksfoodharvest.org/about/our-network/become-a-member/>

If you are requesting to become an **Ozarks Food Harvest-Sponsored School Food Pantry**, please read the Site Eligibility and Food Bank Program Host Agreement below, then complete the school information section and return this form to: memberservices@ozarksfoodharvest.org

Site Eligibility

Due to the high demand for programming across our network, we are only considering applications from schools with 50% or higher Free or Reduced Lunch rates. Placement on the program is based on information gathered regarding area need, existing resources, available funding and current operations.

Requirements

School must agree to the requirements listed in the [Food Bank Program Host Agreement](#)
